

INSTRUCTION MANUAL

**Important! Read Instruction Before Use
16X3 Is Designed For Expert Users Only**

16X3-Pro_{v2.5} ***Ni-Cd & Ni-MH Maintenance System***

VESC Pulse Charge, Discharge & Cycle
Convenient TX/RX maintenance charging
INDI Multitasking Full Charge Detection Algorithm
Minus Delta Voltage Full Charge Termination Method
Automatic Voltage Drop Threshold 0mV-70mV
Pulse Count 16-Bit Analog to Digital Converter
65536 Steps Ultra High Resolution Counter
Up to 4 Amps Conditioning Discharging Current
0.5-6.5 Amps Adjustable Charging Current
Auto Detect Smart Lockout Timer
16-Bit Digital Signal Processing

***Just race,
no games!***
